Got a question? Ask a Counselor! You can Instant Message online with a live career counselor.

When the word *LIVE* is flashing on the yellow icon on the IM Page, it means that a counselor is online waiting for your career question. Just click on the yellow icon, sign in using your SNAP account information, and ask.

If the yellow icon shows that we are offline, you may click it to leave a message. A counselor will contact you usually within 24 hours (when the College is open).
