

CENTRAL PIEDMONT COMMUNITY COLLEGE

## Job Search Success

We can help you find a job

### Résumé Help

Whether you have never written a résumé or have one you have been using for years, we can help you develop a professional résumé that gets results. Students and Graduates can contact Career Services to make an appointment for résumé help.

### Let us send your résumé to employers

Take advantage of Résumé Referral as part of your search for full-time, professional employment. We will send your résumé to employment recruiters who are seeking to hire CPCC Students and Graduates from our academic programs.

### Interviewing Assistance

Don't let nerves get in the way of a winning interview! Get in-person or online help from Career Services for your next job interview. Ask about mock interviewing or Perfect Interview, our online interview practice service.

### Job Listings Online

With over 400 jobs and new ones added every day, the Connections job website is one of our most popular services. Charlotte-area employers are looking for you; try it today!

### Career Fair & Events

Connect with many employers in one visit at the CPCC Career Fair. See our events page to stay up-to-date with On-Campus Recruiting, workshops, and other events.

### Directory of Companies

If you think you have applied to virtually every company in Charlotte, check our Directory of Companies. It can help you connect with employers who may be looking for workers like you!

### Job Search Resources

Our Career Links pages, Career Resource Library, and job search-savvy presentations and articles feature additional resources to help you achieve job search success.
