

CENTRAL PIEDMONT COMMUNITY COLLEGE

## Virtual Career Services

Just because you are not on campus doesn't mean you can't have access to all that Career Services offers. Whether your class is on the computer or on CPCC Channel 17, students who are involved in distance learning at CPCC are encouraged to use Career Services.

### Career Counseling Online

Tight on time? Need help deciding on a career? Sign up for the Career Target Program Online.

### Career Assessments

Have you ever wanted to take a career "test" that would help you target careers suited to your personality and interests? Contact us to learn more about the career assessments we offer. Most of them can be completed online, and some have self-directed exploration components.

### Jobs Online

Visit **Connections**, our job search website for CPCC Students & Graduates. We get new jobs posted every day.

### Got an Interview Coming Up?

We offer online interview preparation assistance. Visit our website or contact Career Services to learn more about Perfect Interview.

### Audio & Visual Presentations

Listen, watch, learn – Our presentations and online videos feature tips for resume writing, talking to employers, and dressing for success.

### Got a Question?

Instant Message us with your questions, email us, or submit your question using our web form.

### Career Information & Assistance

Visit the *Career Links* section of our website for information about resume writing, job search techniques, career assessments, job listings, and occupation information. Links to over 100 websites!

### Directory of Companies

See a list of hundreds of companies with which we have worked over the years. After you find them on our site, check their sites for job opportunities.

### Career Guide

Access The Career Services Career Guide online (PDF) to gather information on job search and career development topics.

### Resume Critique

E-mail your resume to a Career Counselor for a professional evaluation of your resume.
